Producing "Chalice 74"

To present the record of the 1973-74 year, we have selected the theme "Look at Yourself" which was suggested by Eddie Fugate and approved by staff vote as were the details of layout style, type and paper as well as the cover design.

It is impossible to capture every highlight of every activity but we hope that our readers will find the major events preserved for their future enjoyment.

Paula Dinnen

PAULA DINNEN, Editor
